## What a Ball

South Burnaby Neighbourhood House hosted a successful 5th Annual The Stars are out Diamond Ball at the Firefighters Banquet Hall on Feb. 7. The fundraising effort cleared \$18,000 for the non-profit group's charitable efforts in the community. More than 180 people attended the ball, and Rotary Club of Metrotown donated a \$10,000 cheque at the event for SBNH's capital building fund. Dozens of businesses donated prizes for auction, and the Blue Brothers Revue kept everyone hopping.

Patrice Pratt, chair of the Vancity Board, was genuinely surprised to learn she had won the diamond set donated by Trio Diamond & Gold.

Ray Hnatko (right) was MC for the night, and Bala Nadoo helped out.

The music of the Blue Brothers Revue couldn't help but get everyone out on the dance floor.

South Burnaby Neighbourhood House executive director Antonia Beck was given a standing ovation for her efforts.
